ON TARGET GAMING

Red Ambient light for STEALTH mode

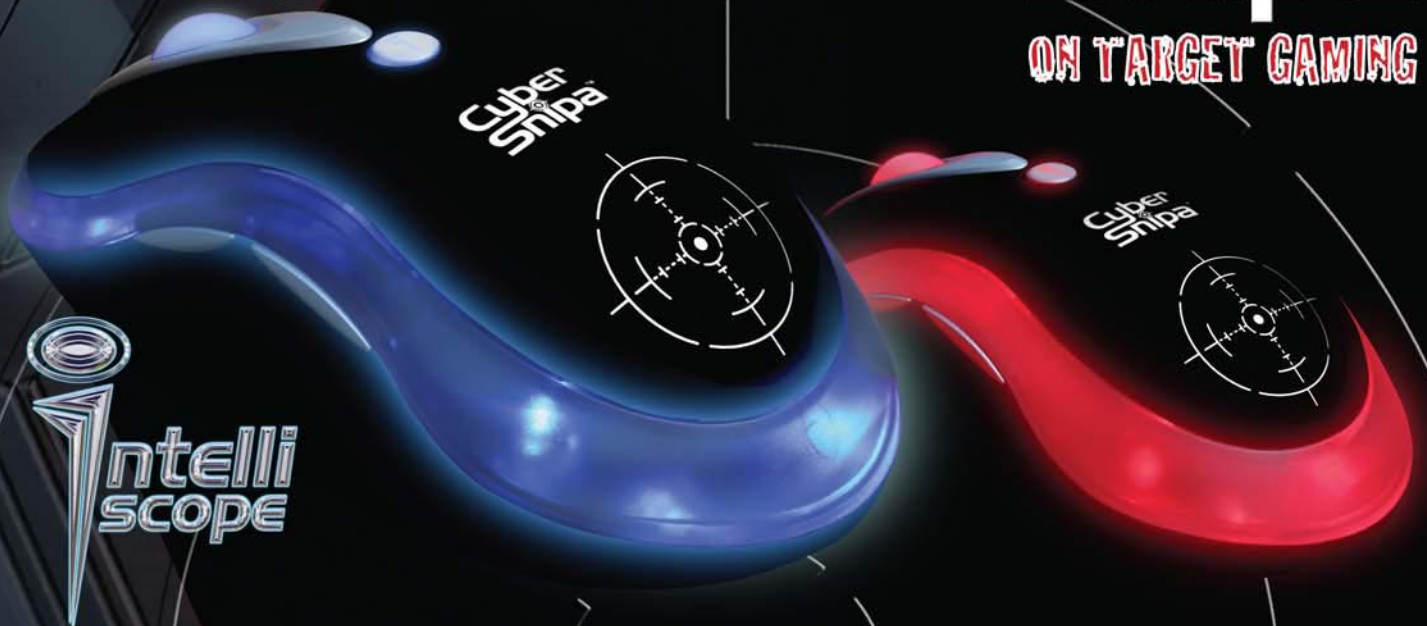

On-the-fly DPI push button 2000/1000dpi

Blue Ambient light for ATAK mode

Rugged Features for performance Gaming

Introducing the Cyber Snipa™ Intelli-scope™ Gaming Mouse. With a simple push of a button, annihilate the competition in either fast action 2000dpi ATAK mode or 1000dpi STEALTH mode!

CYBER SNIPA™ INTELLI-SCOPE

The Cyber Snipa™ Intelli-scope™ Gaming Mouse is enhanced by the Intelli-Light™ Ambient Interface™ (AI) system.

This system allows the user to be intuitively informed of the DPI setting during combat situations. You never need to remember what setting you are in! By the illuminated glow on and around the Mouse, you know if the DPI setting is set for ATAK mode or precision STEALTH mode needed for sniping. A stunning looking mouse with all the grunt you need for gaming.

Features:

- 2000/1000 dpi Lazer Gaming Mouse
- On the fly 2000/1000 DPI push button
- 6 x Macro Assignable Buttons
- Intelli-Light Ambient indicator
- Teflon feet for fast action Gaming
